Dear Mr. & Mrs. Doe:

Dr. Davis from Friendly Animal Hospital made a financial donation to the Companion Animal Memorial Fund in memory of Bear. Having shared much of my life with companion animals and having spent many years caring for those of other people, I can appreciate what a loss this has been to you.

The Companion Animal Memorial Fund supports clinical studies into many different problems confronting small domestic animals such as dogs, cats, birds, exotic pets and others. The donation from Friendly Veterinary Hospital is a very positive and supportive gesture. It will assist our efforts to find answers for the diseases that cause pain and suffering among companion animals.

If you have questions about our program, please feel free to check the Center's web site at www.vetmed.ucdavis.edu/ccah. You are also welcome to call (530)752-7024 or to write to me at the above address.

Sincerely,

A handwritten signature in black ink that reads 'Michael Kent'.
