

Parminder S. Basran, PhD, FCCPM

Parminder Basran, Ph.D. is a Medical Physicist at Cornell College of Veterinary Medicine providing research, education, and clinical support. He is passionate about sharing knowledge of what medical physicists do with the public and in improving global access to cancer care. Dr. Basra has served in a variety of leadership roles, such as Interim Professional Practice Leader in Medical Physics (Victoria, Canada); Associate Director of the BC Cancer Medical Physics Residency Program; lead physicist for major capital procurements such as linear accelerators, CTs, PET-CTs; and Chair of the BC Cancer Varian Management Group. He also serves in a variety of provincial, national, and international professional societies, including Medical Physics for World Benefit and the American Association of Physicists in Medicine.
